

Our Teams are here to help you!

We (GrayCo) are committed to working together to make sure our residents, customers, and employees are cared for and informed during these uncertain times. We are continuing to monitor the COVID-19 outbreak and actively following guidance and recommendations from the Centers for Disease Control (CDC). Our priority is taking action to keep our residents, prospective residents, and associates safe.

With heightened sanitizing procedures and policies in place, our offices have reopened 7 days a week:

Monday-Friday 9am-6pm

Saturday 10am-5pm

Sunday 12pm-5pm

We continue to practice social distancing in our office and amenity areas. Masks must be worn at all times while visiting our offices and touring our apartments.

We have touring options available for you...in person with a team member or self-guided tours by appointment. If you are unable to visit our office, you can tour Virtually Online. Please call our office for more information. (407) 554-2097
